

Rosemary's School of Dance Education
Ballerina Princess Camp

July 17 – 20, 2017

Every young dancer wants to be a princess and we help make that dream come true! Dancers will learn the basics of ballet, tap and creative movement. They will create a princess wand and tiara along with other princess crafts and have fun with music at the same time! Tap shoes are not required. Dancers can wear any “princess” attire that they can easily move in.

Be sure to label everything so we can return lost items.

Please pack a nutritious snack and water.
