## ***Proudly presents... "Heroes and Villains"***

### **BLOCK REHEARSAL INFORMATION**

All students participating in the Recital in Young Dancer Division 6 and up (40 min. classes and up) are required to attend blocking rehearsal. This will take place AT THE PROVIDENCE PERFORMING ARTS CENTER. No costumes are needed, just proper dance attire. The blocking rehearsal will take place AT PPAC ON WEDNESDAY, JUNE 7<sup>TH</sup>. Any questions, please email the office at RsmryDance@gmail.com.

#### ***Who can attend blocking rehearsal?***

Just like dress rehearsal, only guardians (2) are allowed at the blocking rehearsal.

#### ***What do dancers wear to blocking rehearsal?***

Students should be dressed in proper dance attire. They will need their dance bag with all shoes. Please label all items. If something is left behind, a clearly labeled item can be easily identified and returned. No costumes.

#### ***Can I take photo/video?***

Yes! Only DURING THE SHOW is flash photography and video prohibited. DVD forms are located in the waiting room and online. Be sure to order a copy at the early bird price!

#### ***How does it work?***

When you arrive at PPAC, please enter through the front theatre doors. All dancers and guardians please find a seat in the theatre and wait for instructions. NO ONE IS TO GO BACKSTAGE. At your scheduled time, STUDENTS ONLY will be asked to go backstage with their dance bag. Again, please make sure EVERYTHING IS LABELED. All students will remain backstage/onstage for their block rehearsal. We will dismiss students all together. Please do not go backstage and ask for a dancer to leave early because they are done. We may need to run a routine again. It is also easier for the backstage staff to keep track of dancers if everyone is together and leaving as a group. Please see the schedule on the next page for your exact blocking rehearsal time.
