**OTHER REQUIRED DANCEWEAR:**

This season instead of a "specific" leotard, we just ask that you have a nice, clean black leotard handy for any outside performances RSDE may participate in. Also, a solid pair of jazz pants (no writing) are also needed for events. Thank you!

**TIGHTS:** Capezio tights in Caramel (which will match our tan shoes) and Ballet Pink. Any black tights you may need can be Capezio or the Revolution brand we sell at the studio. We suggest having these in convertible and stirrup for class/performance. Of course we will let you know in advance specifically what is needed for each costume. These are just great to have on hand!

**MAKEUP/EARRINGS :** At Nationals it was brought to our attention that a "more uniform" makeup is ideal to complete the "look" and necessary at the level of competition we are at.

That's a super easy thing for us to do so we are on it! If you would like us to purchase any of this for you, please simply email the office. Of course if you have allergies or have something so similar we wouldn't be able to tell the difference, no worries at all! Everything can be purchased at your local drugstore or on amazon prime.
