Dress Rehearsal/Block Information (Recital 2018)

Dress Rehearsal/Block Information:

RSDE's dress rehearsal has been re-vamped from past seasons and traditional dress rehearsals to provide the most utmost experience for you and your child. Students are required to participate in a dress rehearsal which will take place at the dance studio. More information on the dress rehearsal is listed below. In addition to dress rehearsal at the studio, students in 40/45/60min. classes (young dancer 6-9 and main dancer divisions) are required to participate in block rehearsal at **PPAC on Wednesday, May 30th**. More information on the dress/block rehearsal is below. If you have any questions or concerns please EMAIL the office as soon as possible.

Dress Rehearsal:

All students participating in the recital are required to participate in dress rehearsal. Dress rehearsal will take place AT the studio. Please see the attached sheet to find out when your child's dress rehearsal is scheduled.

Who is allowed at the Dress Rehearsal? Only student's guardian(s) are allowed at Dress Rehearsal (or whoever is bringing the student to Dress Rehearsal). Due to the size of the studio, please make sure there is no more than 2 people per student at Dress Rehearsal.

What does my student wear to Dress Rehearsal? Students are required to be in full costume and make-up at dress rehearsal. By holding dress rehearsal at the studio more time can be allotted for rehearsal and to all more time for questions about the costume/recital. Students may change at the studio or at home before they come.

Can I take photos or video the Dress Rehearsal? Yes!

Block Rehearsal:

Block rehearsal is only for students in 40/45/60min. classes. This will take place AT PPAC. The Block Rehearsal will be on **WEDNESDAY MAY 30th from 5:00-6:30pm**.

Who is allowed at the Block Rehearsal? Just like Dress Rehearsal, only guardians are allowed at the Block Rehearsal.

What does my student wear to the Block Rehearsal? Students do not need to wear their costumes to block rehearsal. Please wear moveable clothing to rehearse your routines in. Students will need all their dance shoes. Please make sure their dance shoes are labeled with their names. Reminder: Costumes are not needed!

Can I take photos or video the Block Rehearsal? Yes!

How is the Block Rehearsal different from the Dress Rehearsals? It's really not that different, we are simply eliminating the costumes to allow rehearsal to go quicker and rehearsing routines on the stage for the show!
